Dear Harold

Last Saturday I sent you Thermofax copy of Finck's testimony and also sent my Xerox copy to Paul Hoch for further Xeroxing. Still have not obtained my testimony. I do not understand the position of such things in New Orleans. Do you have any ideas.

In answer to your question of October 1 I have not gotten Shanneyfelt's testimony. My lawyers in Topeka make progress very slowly but now advise the preliminary brief may be done in another week.

The archives mentioned nothing about the source of the Kennedy autopsy permission.

Sincerly,

John Nichols
